

The Officers Club at Camp San Luis Obispo

Phone: 805-541-6168

The historic Officers Club, built in 1928, has its own beauty and vintage charm. The ballroom seats up to 300 guests. If you are hosting a larger event, the outside patio area, which can be tented, can be utilized for additional seating. You do not need to be part of the military to lease the Club for an event.

The Fireplace room at the right entrance of the Club is approximately 20' x 40', and features wood beamed ceilings and accent lighting. This area is wonderful for welcoming your guests, displaying photos and memorabilia, and serving appetizers. It can even be used for an intimate ceremony. There is a fireplace at one end of the room, with French doors along the front side of the building opening onto the Veranda. Behind the fireplace room, through a set of French doors, is a library area with a pass through fireplace from the Fireplace Room. This room has a separate outside entrance, perfect for the Bridal Party to utilize in ceremony/reception preparations. The lawn near the outside entrance is lovely for outdoor ceremonies.

As you enter the left entrance of the Club you will find our newly refurbished "lounge area." This area has new French doors and hardwood floors and is perfect for intimate gatherings, small meetings/conferences or luncheons. The lounge area also contains our bar. The Officers Club holds a liquor license and provides all bar service.

Arched entries invite guests into a ballroom that is approximately 50' x 75' wide and 15' high and features dramatic draping and twinkling lighting. At the East end of the ballroom is a dance floor that measures approximately 30' x 30', and a stage with a piano.

The newly renovated state of the art kitchen is available for your caterer to utilize. The kitchen includes a new industrial stove/oven, microwave, holding cabinets for hot entrées, refrigerator, coffee maker/server and ice maker.

Photographic opportunities abound, from the 1950's and 1960's historic airplanes that are on-site to the beautiful oak trees throughout the historic property. There is also a lovely small gazebo located on the grounds just to the right side of the parking area.
